

7 string guitar book pdf

The seven-string guitar adds one additional string to the more common six-string guitar, commonly used to extend the bass range (usually a low B) or also to extend the treble range.. The additional string is added in one of two different ways: by increasing the width of the fingerboard such that the additional string may be fretted by the left hand; or, by leaving the fingerboard unchanged and ...

The 12-string guitar is a steel-string guitar with 12 strings in six courses, which produces a richer, more ringing tone than a standard six-string guitar. Typically, the strings of the lower four courses are tuned in octaves, with those of the upper two courses tuned in unisons. The gap between the strings within each dual-string course is narrow, and the strings of each course are fretted and ...
