### **Elements of Positional Evaluation - Dan Heisman**

On the cover of Elements of Positional Evaluation, 4th Edition you'll find a simple, attractive illustration of the classic elements in Greek antiquity known as earth, water, air, and fire, and there is something timeless about these new elements: mobility, flexibility, vulnerability, center control, piece coordination, time and speed. If these seven elements sound abstract and rather theoretical, I can attest they most certainly are not.
