An epic fairytale romance set in a semi-fictional ancient world, containing elements of action, adventure, poetry and comedy. The title has a triple meaning: The central character is a renowned beauty - 'the rose of the world' - while the rose flower features heavily in the plot and it also implies that the world rose up.

some thinkers in the ancient world, but then with the rise of Christianity the theme of Sophia more and more receded into the background. The main reason for this was that early Christians identified Sophia with Christ. With this, at one stroke Sophia disappeared from human consciousness, at least in the Christian world.

Poems of W.B. Yeats: The Rose Summary and Analysis of The Rose of the World. Buy Study Guide. Summary. Yeats contests the cliché that beauty "passes like a dream," noting that beauty has been responsible for major tragedies of human violence, including the sack of Troy and the death of Usna's children. He insinuates that Maud Gonne's beauty is ...
