The book The Magical Power of the Saints: Evocation and Candle books was an interesting read. It was just what it states its about. The book focuses on Saints and candle magic and nothing else.

### **The Magical Power of the Saints: Evocation and Candle**

Above the ritual and religion and magic the power exists, changeless in its eternal change. The power is in everything, and everything is in the power. (One of the problems of some modern religions is that they assert that the power is outside us, and not within.) Call it what you like, visualize it as you may, the power really is the power.

### **Cultivate Your Magical Knowledge**

they knew what magic really is and how magic is being used to control them, they would not be laughing. Remember, magic is the art of directing and controlling energy using natural forces (i.e., sound, thought) to produce a desired effect. In other words, magic is the art of directing and controlling energy.
