The Path of Least Resistance: How To Truly Change Your Personality & Behaviors From The Foundation  
Please Note: This report is meant as a companion piece to what I wrote in The Rapport Report. It doesn't matter which one you read first, as long as you read them and do them NOW. Seriously.

## **Path of Least Resistance - Demonic Confidence**

choose the Path of Least Resistance! In other words, don't make things any more difficult than they have to be. If you have two different, equally good explanations of the same experience, or solutions to the same problem, choose the simplest one. This will be the Path of Least Resistance. I don't claim the phrase to be original.

requires the least current effort: employees often follow the path of least resistance. Almost always, the easiest thing to do is nothing whatsoever, a phenomenon that we call passive decision. Such passive decisionmaking implies that employers have a great deal of influence over the savings outcomes of their employees.
