A land/location value tax (LVT), also called a site valuation tax, split rate tax, or site-value rating, is an ad valorem levy on the unimproved value of land.Unlike property taxes, it disregards the value of buildings, personal property and other improvements to real estate. Land value taxes are generally favored by economists as (unlike other taxes) it does not cause economic inefficiency ...

A store of value is the function of an asset that can be saved, retrieved and exchanged at a later time, and be predictably useful when retrieved. [citation needed] More generally, a store of value is anything that retains purchasing power into the future.The most common store of value in modern times has been money, currency, or a commodity like a precious metal or financial capital.

The incremental learning derives its name from the incremental nature of the learning process. In incremental

learning, all facets of knowledge receive a regular treatment, and there is a regular inflow of new knowledge that builds upon the past knowledge.
