UNDERSTANDING SECULARISM 1. Secularism is the concept that government or other entities should exist separately from religion and / or religious beliefs. Secularism, also called Secularity or (adjectives: Secular or non religious) is the idea of something

UNDERSTANDING SECULARISM - SlideShare

A quintessential challenge for any perceptual system is the need to focus on task-relevant information without being blindsided by unexpected, yet important information. The human visual system incorporates several solutions to this challenge, one of which is a reflexive covert attention system that is rapidly responsive to both the physical salience and the task-relevance of new information.
