Antitrust and Monopoly | Mises Institute

Competition law is a law that promotes or seeks to maintain market competition by regulating anti-competitive conduct by companies. Competition law is implemented through public and private enforcement. Competition law is known as "antitrust law" in the United States for historical reasons, and as "anti-monopoly law" in China and Russia. In previous years it has been known as trade practices ...

Competition law - Wikipedia

The history of competition law refers to attempts by governments to regulate competitive markets for goods and services, leading up to the modern competition or antitrust laws around the world today. The earliest records trace back to the efforts of Roman legislators to control price fluctuations and unfair trade practices.
