A Concise History of the British Mod Movement by Melissa M. Casburn Emerging from World War II, the youth of London found themselves in a period of traditional values, con-

A Concise History of the British Mod Movement

The history of the world, in common parlance, is the history of humanity (or human history), as determined from archaeology, anthropology, genetics, linguistics, and other disciplines; and, for periods since the invention of writing, from recorded history and from secondary sources and studies.. Humanity's written history was preceded by its prehistory, beginning with the Palaeolithic Era ...

History of the world - Wikipedia

Between World War I and World War II Australia suffered greatly from the Great Depression which started in 1929. This limited Australian defence expenditure and led to a decline in the size and effectiveness of the armed forces during the 1930s.

Military history of Australia during World War II - Wikipedia

The history of the world is about the study of the cultural achievements of the entire human race. This includes the time from prehistory to the end of the 20th century and excludes natural history before the development of human beings

History of the world - Simple English Wikipedia, the free

4 Let us now briefly touch on some of the facts about the Polish language of today. Polish, of course, is the official state language of the Polish Republic (Rzeczpospolita Polska), which, according to the 1994 census, had a population of slightly under 40 million.
