Shell settled a class action lawsuit brought by members of communities on the East Side of Cleveland. The communities alleged that Shell charged more for gas in predominantly black areas than on the city's West Side. As part of the settlement, Shell paid \$700,000 for lawyers' fees and donated \$350,000 to the United Negro College Fund.

Shell launches LNG Outlook 2018 The global liquefied natural gas (LNG) market has continued to defy expectations, growing by 29 million tonnes in 2017, according to Shell's latest LNG Outlook. Based on current demand projections, Shell sees potential for a supply shortage developing in the mid-2020s, unless new LNG production project commitments are made soon.
