The rationality assumption: world politics can be analyzed as if states were unitary rational actors seeking to maximize their expected utility. 3. The power assumption: states seek power and they calculate their interests ... 8 Realism and international ...

**Realism and International Relations**

The dispute between rationalism and empiricism concerns the extent to which we are dependent upon sense experience in our effort to gain knowledge. Rationalists claim that there are significant ways in which our concepts and knowledge are gained independently of sense experience.

**Rationalism vs. Empiricism (Stanford Encyclopedia of**

In politics, rationalism, since the Enlightenment, historically emphasized a "politics of reason" centered upon rational choice, utilitarianism, secularism, and irreligion "the latter aspect's antitheism was later softened by the adoption of pluralistic methods practicable regardless of religious or irreligious ideology.

**Rationalism - Wikipedia**

Rationalism in politics is often seen as the midpoint in two major political viewpoints of realism and internationalism. Whereas Realism and Internationalism are both on ends of the scale, rationalism tends to occupy the middle ground on most issues, and finds compromise between these two conflicting points of view.

Published: Mon, 5 Dec 2016 The origins of the third debate within IR theory between rationalism and reflectivism began with two initial "great" debates. The first debate took place post-World War I, before IR had developed into a coherent academic discipline.

### **Rationalism And Reflectivism In Ir Theory Politics Essay**

Since the 1990s, one of the major debates in International Relations (IR) scholarship has been between rationalism and constructivism (Katzenstein et al, 1998; Fearon and Wendt, 2002). How to define the relationship between rationality and norms or identity has been one of the main issues in this debate.
