Fact Sheet: Jews Control America | Real Jew News

The history of banking began with the first prototype banks which were the merchants of the world, who made grain loans to farmers and traders who carried goods between cities. This was around 2000 BC in Assyria, India and Sumeria. Later, in ancient Greece and during the Roman Empire, lenders based in temples made loans, while accepting deposits and performing the change of money.

The American entry into World War I came in April 1917, after more than two and a half years of efforts by President Woodrow Wilson to keep the United States out of the war. Apart from an Anglophile element urging early support for the British, American public opinion reflected that of the president: the sentiment for neutrality was particularly strong among Irish Americans, German Americans ...

By now, it seems patently obvious that blacks are a much more primitive, even bestial race (), probably on the order of 200,000 years less evolved than the Caucasian race (depending on how much stolen White genetics a few have). Although still different, I consider the hard-working, law-abiding and clean Asians to have more in common with White people than blacks, by far.
