Tip 3: Acceptance is an antidote to worry. The elders have been through the entire process many times: worrying about an event, having the event occur and experiencing the aftermath. Based on this experience, they recommend an attitude of acceptance as a solution to the problem of worry.

Worry Wastes Your Life | The Legacy Project

Why Anxiety is a Waste of Time. Anxiety, when reduced to the basics, is an irrational form of fear. Anxieties try to tell you that something bad might happen, that you might not be good enough, or that someone might be thinking poorly of you. The world of anxiety is a world of fiction. Anxiety stems from the evolutionary by-product of exaggerated fear.
