of most librarians and boards, the risk of inaction outweighs the cost of effective security. 2. A second and by far the most common response is the use of an electromagnetic (EM) security system. These systems are affordable and highly effective for alerting staff that an item is being removed from the library without being properly checked out.

Worth the Risk? - multimedia.3m.com

Notes on risk: All investing is subject to risk, including the possible loss of the money you invest. Bond funds are subject to the risk that an issuer will fail to make payments on time, and that bond prices will decline because of rising interest rates or negative perceptions of an issuer's ability to make payments.

Worth The Risk (2012) About book: An enjoyable easy read, I read the whole thing in one afternoon on a sick day. Characters were well-conceived and believable to the extent that annoyingly perfect characters can be. A light and fluffy story, I thought the way Bielman built up to the rendezvous was just the right amount of

steamy. Not sure if I'm just slow, but I honestly was not sure which of them would receive the contract.

“We probably shouldn't keep doing this. He could be talking about her. Watching the man you love be with the woman he's married to? I mean, this entire trip. About the two of them together. The light from the glittering chandeliers above shone down upon her. “You're worth more than that. She said quietly. “ He lowered his voice.
