Third gender or third sex is a concept in which individuals are categorized, either by themselves or by society, as neither man nor woman. It is also a social category present in societies that recognize three or more genders. The term third is usually understood to mean "other"; some anthropologists and sociologists have described fourth, fifth, and "some" genders.

Third gender - Wikipedia

Underlying the beliefs of many cultures is an assumption that, beyond biology, women and men possess essentially different capacities and functions.
