Important Extra Step 4: Same as the steps below, but instead of waiting 2 to 3 minutes, you wait "8 to 10" minutes or until the 4 red lights go back to the 3 red lights of death.

### **How to fix the 3 red lights of death on xbox 360 free without taking it apart**

[citation needed] In 2005, they were accused of many technical Xbox 360 problems and a poor lack of solutions and warranty. [citation needed] According to reports in news media, the new Xbox 360 S design still scratches discs when the console is moved while spinning in operation. However, the Xbox 360 S and Xbox 360 E ships with a sticker informing users that moving the console while powered on poses risks, effectively removing responsibility from Microsoft.
