Causes of symptoms according to Louise Hay is a good place to start if you are looking for healing. Illness however mild or severe is an indicator of your emotional state, caused by your thoughts and focus. I first came across this concept about 11 years ago when i read You Can Heal Your Life by Louise Hay. I found this book while in the depths of depression and it turned my life around in the ...

You can heal your life. You can heal. This book really helped me understand the importance of self love. Everything we do is rooted in how we feel about ourselves. Louise helps readers identify thought patterns that are harmful to ourselves. The way we think manifests in our reality. It is a wonderful book and I recommend it.
