You Can't Go Home Again is a novel by Thomas Wolfe published posthumously in 1940, extracted by his editor, Edward Aswell, from the contents of his vast unpublished manuscript The October Fair. The novel tells the story of George Webber, a fledgling author, who writes a book that makes frequent references to his home town of Libya Hill.

PDF has become the de facto standard for publishing electronic documents. Adobe created the file format and their Reader software enjoys a near-monopoly on reading PDF documents. But did you know that PDF is an open file format, allowing anyone to create applications that read and write PDF files? Many consider Adobe Reader a pain to work with.
