Zen and the Art of Consciousness, originally titled Ten Zen Questions, is a book by Susan Blackmore. It describes her thoughts during zazen retreats and other self-directed meditative exercises, and how those thoughts relate to the neuroscience of consciousness. Most chapters in the book center around a Zen question and describe Blackmore's inner monologue contemplating the question's implications for subjective experience. The final chapter features a response by Blackmore's Zen teacher.

Is "Zen and the Art of Motorcycle Maintenance" for the 'faint of heart'? Probably not. I think that the analogy where wines get better with age is applicable here, where you, the reader, is the 'wine' and you must be at a later time in your life to truly be able to grasp what this book is all about.
