Hedonism is not as simple as the first description in the english wiki article leads you to believe. I consider myself a Buddhist and a Hedonist. In fact I will go as far as to say that being hedonistic is the base of every

sentient action among humans and animals.

### **Can a Buddhist be hedonistic? – NewBuddhist**

At its simplest, ethical hedonism is the thesis that all and only pleasure has positive non-instrumental importance and all and only pain or displeasure has negative non-instrumental importance. The focus below is on hedonism about value, and the discussion is intended to be generalizable also to other forms of ethical hedonism.
